

Update as of 30 March

In order to contain the further spread of Covid-19, the Spanish Government through a Royal Decree has mandated the temporary suspension of all non-strategic production until the 9th of April. As a result, SALTO is having to suspend our shipments temporarily and as a consequence , all orders will be delayed 8 working days. Customers whose orders are affected by this will receive a separate email with the corresponding revised shipment date.

Worldwide our staff continues to work as local conditions permit in order to serve our customers.

Please contact your local SALTO Business Unit if you require any further information or fill out [the SALTO Contact Us website form](#), to send us a message.

Thank you for your support, understanding and loyalty.
