## **SALTO Warranty**

Limitations.

updated 2015-09-15

(A) One-Year Limited Warranty. Salto provides the following one-year limited warranty to Customer: Any part of the delivered Products which prove to be defective in material or workmanship, or to fail substantially to conform to Salto's applicable specifications in the documentation supplied therewith, during the one year following delivery thereof will be repaired or replaced at Salto's option with a new or functionally operative part or repair. Material and labor required to provide the repair or replacement at Salto service location will be free of charge during said one-year period. Customer will pay applicable shipping/freight and handling expenses. The one-year period applies to each base system that includes one lock programmer together with one card encoder, and is not extended by purchase of additional components for use with such base system. For purposes of this limited warranty, Salto will also provide a reasonable amount of telephone support during regular business hours to Customer's properly trained personnel.

(B) Extended Warranty Periods. Customer may purchase annual extensions of the foregoing limited warranty, so long as Salto continues to provide extended warranty support for the delivered Products, by paying Salto's applicable extended warranty fees no later than sixty (60) days before the end of the current warranty year. The time period of annual extended warranties is computed from expiration of the initial warranty only, and is not extended by purchase of additional components for use with a base system. Salto will not sell or be obligated to provide extended warranty periods for less than all of Customer's owned and used Products at one location. If Customer wishes to purchase or renew extended warranties after any time period when the Products were not under warranty by Salto, then Customer will pay Salto's applicable extended warranty fees for such time as the Products were not so warranted, together with any reasonable fee Salto may charge for verifying the Products' proper and warrantable condition. Salto may adjust the fees for extended warranty periods as a condition of continuing to provide same, and such fees may vary according to the number and age of Customer's owned and used Products. All provisions of all subsections of this Section shall govern Salto's obligations during all extended warranty periods.

(C) Exclusions. SALTO is not responsible and will not be liable for defects or conditions caused by: (A) damage arising from accident, act of God, alteration, misuse, unauthorized use, tampering, abuse, or use or handling of Products by untrained or unauthorized persons; (B) failure to use the most current warranty upgrade provided by Salto or to properly follow the instructions provided by Salto at time of installation or at a later date; (C) any keycards, software, hardware or supplies not provided by Salto, (D) adjustments necessitated by radio frequency or wireless interference, (E) interruption of utilities or communications, or (F) breach of this Agreement. If Salto determines that a defect is due to any of the foregoing, it may but will not be obligated to assist in remedying the problem, and Customer will be liable to pay Salto's then-current time and materials rates and charges for all efforts associated with same. Customer is responsible to pay communications and any shipping charges, and for any travel expenses, time and materials if Salto is requested or required to provide onsite support. All warranties are personal to Customer; Salto does not provide any warranties to any subsequent or other purchaser or user of the Products. Only Salto or its authorized agents may

provide any installation, configuration, training, warranty, or other services with respect to Products. Salto's warranty obligations will be void if Customer is in material breach of this Agreement, including without limitation failure to pay for the Products or submission of non-warranted Products for warranty service.

(D) Limitations. CUSTOMER'S EXCLUSIVE REMEDY WITH RESPECT TO ANY AND ALL LOSSES OR DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING WITHOUT LIMITATION SALTO'S NEGLIGENCE, SHALL BE REPAIR OR REPLACEMENT AS SPECIFIED ABOVE IN THIS SECTION. SALTO SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL OR EXEMPLARY DAMAGES OF ANY NATURE, INCLUDING WITHOUT LIMITATION DAMAGES FOR PERSONAL INJURY OR DAMAGES TO PROPERTY, AND HOWEVER OCCASIONED, WHETHER ALLEGED AS RESULTING FROM BREACH OF WARRANTY OR CONTRACT BY SALTO OR NEGLIGENCE OF SALTO OR OTHERWISE. SALTO PROVIDES THE FOREGOING WARRANTY IN LIEU OF ALL OTHER WARRANTIES. SALTO MAKES NO OTHER WARRANTIES, GUARANTEES, REPRESENTATIONS, OR CONDITIONS TO CUSTOMER OR ANY OTHER PERSON OR PARTY, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY ARISING OUT OF COURSE OF DEALING, USAGE OR TRADE.

Regardless of whether any remedy permitted under this agreement fails of its essential purpose, the allocation of risks expressed in this Section are material to this Agreement and SALTO would not enter into this Agreement without these disclaimers, exclusions of and limitations on liability.
